Make it HAPPEN

What is happening in our Ward?

NOVEMBER....going on to December! This year has passed so quickly, and so much has happened in all our lives.

Let us be thankful to be alive, for the rain, for every precious day that we are here to make difference and live with a purpose.

As a resident of Ward 24, you are the difference we need. Together we can achieve much, as the *biggest helping hand is at the end of our own arm...*

Have a blessed NOVEMBER!

Jeanne Adriaanse
